## *“Neuroscience & Inclusion in Montessori”*

*\*pending approval for 5 hours of GA Bright from the Start training credit.*

“Every *child* is a *different* kind of flower, and all together, make this world a *beautiful garden*.” --Unknown

Join us for a one day workshop with Janet McDonell, AMI Primary Trainer and Dr. Nora McNamara, Child and Adolescent Psychiatrist and AMI elementary diploma holder, to learn practical strategies to collaborate with “children who are not yet peaceful.” This workshop is open to administrators, teachers, assistants, parents, caregivers, and others who are engaged with children.

Participants will:

- ❖ Learn the features of the Montessori Classroom that make it a responsive and challenging environment for all children.
- ❖ Look at differences in learning that can result in obstacles to healthy development.
- ❖ Learn how neuro-imaging supports and informs Montessori practice.
- ❖ Gain specific strategies for working with children who have exceptionalities including (autism, executive functioning, and learning-style differences).

**Saturday, April 15, 2017**  
**9:00 a.m. – 4:00 p.m.**

**\*\*\*LOCATION CHANGE\*\*\*** The new location for the workshop is:  
Arbor Montessori School
